Advanced Certificate in Nails

Learn all you need to know to start a successful nail salon

Learn all you need to know about creating and designing salon-quality manicures and pedicures with this comprehensive certificate.

Created by experienced nail professionals, this hands-on course covers everything from basic fundamentals like hygiene practices, nail preparation and identifying and treating nail conditions right through to more technical topics like acrylics, quick dip system and UV gel application.

Each student who enrolls in this course will be paired with a practising beauty professional to help mentor them to start their beauty career or set up their own beauty business.

Included in this course is our Nails Starter Kit including all the equipment and materials you'll need to get started and a free consultation with a qualified accountant to assist you in setting up a successful beauty business.

Perfect for students looking to work as a nail artist and technician and people looking to start a beauty business from home

About us

Careers Collectiv is about practical education with a focus on providing courses relevant to real life.

We help you gain the knowledge, skills and confidence to try a new career path, broaden your professional development, start a new business or explore a passion and deepen your understanding in a special interest.

Careers Collectiv was founded by a family who are passionate about providing quality education, accessibility for everyone and the flexibility to work at your own pace and in your own time. They have over a decade of experience in the online education sector after establishing a college specialising in the beauty industry.

Our teachers

We only use teachers who are active in their specialised industry. Learn from people who have first-hand experience in their subject matter and current industry expertise. Staff come from varied backgrounds with teaching and vocational experience from universities and vocational colleges.

Courses provide flexible options for different career pathways, self-improvement, professional development and general adult education.

We give our students the skills, tools and structure to learn in real life situations without compromising on academic excellence.

Recognition

All Careers Collectiv courses come with a certificate of attainment upon completion.
