Course Guide

Lash Lift and Tint Certificate

Learn the latest lash technique and expand your beauty business services

The Lash lift and tint treatment trains natural eyelashes to curl upwards for a long period of time and gives clients styled dark eyelashes without needing mascara.

This course will cover all you need to know about perming, treating and tinting lashes to give your clients their desired natural look. This online certificate has been created in conjunction with experienced lash artists and experts to give you the most up-to-date techniques, care and solutions this relatively new beauty treatment.

Each student who enrolls in this course will be paired with a practising beauty professional to help mentor them to start their beauty career or set up their own beauty business.

Included in this course our Lift and Tint Starter Kit. This contains the equipment, products and materials for all the exercises and assessments to master your skills and offer a high quality beauty service.

Perfect for beauty businesses and professionals looking to expand their lash offering and students looking to master all lash extensions styles and techniques.

About us

Careers Collectiv is about practical education with a focus on providing courses relevant to real life.

We help you gain the knowledge, skills and confidence to try a new career path, broaden your professional development, start a new business or explore a passion and deepen your understanding in a special interest.

Careers Collectiv was founded by a family who are passionate about providing quality education, accessibility for everyone and the flexibility to work at your own pace and in your own time. They have over a decade of experience in the online education sector after establishing a college specialising in the beauty industry.

Our teachers

We only use teachers who are active in their specialised industry. Learn from people who have first-hand experience in their subject matter and current industry expertise. Staff come from varied backgrounds with teaching and vocational experience from universities and vocational colleges.

Courses provide flexible options for different career pathways, self-improvement, professional development and general adult education.

We give our students the skills, tools and structure to learn in real life situations without compromising on academic excellence.

Recognition

All Careers Collectiv courses come with a certificate of attainment upon completion.

Lash Lift and Tint Certificate

Our Lash Lift and Tint Certificate will allow you to master and provide your clients with dark, luscious and lifted lashes that will last a long time. Lash Lifting uses silicone rods to give a lifting effect from the base of the eyelashes and give the client a natural “wide-eyed look”. This course also covers lash tinting to give your clients their desired lash colour to match their hair or have darker lashes to accentuate their eyes.

This certificate is delivered online and gives you the flexibility to choose your own study schedule and deadlines. Learn about our unique application method, how to prepare and care for clients, as well as troubleshooting problems that may arise.

Who is the course for?

This is an entry-level certificate perfect for students who have no previous study and work experience in the beauty sector. It is an ideal course for people wanting a career in the beauty industry, looking to start a beauty business from home or learn a new skill in their current job working for a beauty clinic.
