Course Guide

Certificate in Dog & Pet Grooming

Transform Your Passion for Animals into a Rewarding Career in Pet Grooming

Our distance education program offers comprehensive training in pet grooming, providing you with the knowledge and skills needed to promote the health and welfare of pets. Animal grooming services offer a range of career opportunities for those wishing to turn their love for dogs into a meaningful career. From working as a professional dog groomer to managing an animal grooming business, the possibilities are endless.

At our school, you will learn the latest techniques in dog grooming, including bathing, trimming, and styling, as well as best practices for maintaining dog hygiene and health. Our program also covers essential topics such as safety, customer service, and business management. With our rigorous training, you will be well-equipped to succeed in the competitive world of dog grooming.

If you have a passion for animals and want to make a positive difference in their lives, a career in pet grooming is an excellent choice. Our program will provide you with the education and experience needed to succeed in this rewarding field.

Perfect for animal lovers looking to make a tangible difference to their health and welfare.

About us

Careers Collectiv is about practical education with focus on providing courses relevant to real life.

We help you gain the knowledge, skills and confidence to try a new career path, broaden your professional development, start a new business or explore a passion and deepen your understanding in a special interest.

Careers Collectiv was founded by a family who are passionate about providing quality education, accessibility for everyone and the flexibility to work at your own pace and in your own time. They have over a decade of experience in the online education.

Our teachers

We only use teachers who are active in their specialised industry. Learn from people who have first-hand experience in their subject matter and current industry expertise. Staff come from varied backgrounds with teaching and vocational experience from universities and vocational colleges.

Courses provide flexible options for different career pathways, self-improvement, professional development and general adult education.

We give our students the skills, tools and structure to learn in real life situations without compromising on academic excellence.

Recognition

All Careers Collectiv courses come with a certificate of attainment upon completion.

Our courses are accredited with the International Approval and Registration Centre (IARC), a non-profit association providing a quality control system for education programs and courses in international education.

Our Certificate in Dog & Pet Grooming is endorsed by BondiVet.
